Sat 21st	Christmas Shoot 10.00AM
Christmas Break – Competition Shooting resumes January 2025.	

Note:

All shooters wishing to attend a session are to **notify by text message or phone call** the competition RO for their discipline by **6.00pm the day before**.

Larger shoots will be held over multiple sessions so once you text the RO you will be given a time slot for the day.

It will be a great courtesy on your part for the competition RO to know well in advance who will be attending – **don't turn up without notification**.

If you have booked and then can't attend, please notify the Competition RO as soon as possible.

***Important* If the RO has no people attending for the day they will not open the range.**

All instruction signage displayed at the range is to be strictly adhered to including 'no smoking' signs on the firing line.

Shooting bays are to be left clean and tidy i.e. **Clean up your own fired cases**

Official program cancelled if forecast is over 36°C (contact discipline RO if unsure)
